Boards Agree On Plans To Install Area Sewer Lines

Boards of directors of the North Lake Tahoe Public Utility District, the Tahoe City Public Utility District and the Truckee Sanitary District met jointly at Kings Beach Monday and collectively approved a joint agreement providing funds for a 36-inch outfall line in Truckee and also adopted a plan of action for the orderly solution to the sewage problems confronting the North Tahoe and Truckee-Donner area.

North Tahoe and Tahoe City agreed to contribute funding for the Truckee Sanitary District outfall construction project to enlarge the originally planned 15-inch line to a 36 inch line, and thereby reserve their respective needed capacities for the future.

The Truckee Sanitary District is therefore in a position to be financially capable to let a contract for the 36-inch outfall line which is the first step towards the regional sewage solution.

Collective Action

The adopted plan of action calls for definite collective action on the respective attorneys and engineers to work diligently and cooperatively to obtain a fair and workable legal instrument for permanent membership and cost participation.

Both the attorneys and engineers must present solutions that fulfill the needs of each district as well as the solving of the regional problem. The final solution must be presented to each board of directors and be mutually accepted and approved by each of the three boards.

Plane B Advancing

Based on this meeting, it appears Plan B, a regional solution of sewage, is fast becoming a reality and will, in the end result, both fulfill the needs of each participating community and will also be economically attractive to each of the districts.

The boards could reach no agreement on formation of a regional authority Monday night principally because the Truckee District would have only one vote while the other districts each would have two. Votes are based on assessed valuation.

Oldest Member Of Local Lodge Dies

Skip Ferdinand, master and Wayne Phillippi, chaplain, of Truc kee Lodge No. 22, F. & A. Masons, went to San Francisco Friday where that afternoon they conducted Masonic funeral rites for Jacob F. Adolph, 88, a one-time pioneer merchant of Truckee.

Adolph, the oldest living member of Truckee Lodge and a secretary here in 1905, expired at his home in San Francisco June 6.

The services were held at the Sinai Memorial Chapel and entombment was in the Garden of Eternity.

Adolph was a plural member of the Masonic Lodge, having been instrumental in the formation of Hamilton Lodge No. 751, Novato, after leaving Truckee many years ago.

The deceased is survived by his wife, Mrs. Nettie B. Adolph of San Francisco.

ERROR IN FIGURE IS AGAINST LOCAL MAN

A typographical error in last week's Sierra Sun added insult to injury to a local candidate in the June 7 primary. It was reported that Bill Briner, Tahoe City, republican candidate for the state senate received 12,223 votes. This much was correct.

However, his republican opponent, Richard Lyng of Modesto collected only 18,970, while an extra one on the front of the published figure, gave him 100,000 more votes than he actually received.

NEW AMBULANCE FOR LOCAL SERVICE HERE

Jack deRyk of the Truckee Ambulance Service has added a new 1966 Oldsmobile 98 ambulance to his local equipment.

The new maroon and white vehicle is fully equipped with the latest appointments, designed for efficiency and comfort. It is oxygen equipped and has all other facilities for short or long trips.

PAUL DOYLE QUITS S. P. FOR PATROL JOB

Paul Doyle, for many years with the Southern Pacific Company, has severed his connection with the railroad and is now a full-time dispatcher and clerk at the office of the California Highway Patrol in Truckee. Doyle had worked as temporary clerk and recently passed the required examination with high grades and received his appointment last week.

Doyle will retain his interest in the D&D Agency in Truckee with N. F. Dolley.

Scholarships Given Deserving Students During Graduation

The following scholarships and special awards were presented to outstanding graduates of the class of 1966 during graduation ceremonies held at the Tahoe Truckee High School Friday evening.

The local scholarship program must be considered one of the finest in the state. Since its beginning in 1953, a total of $24,820 has been awarded to 101 graduates. A follow-up study of these award winners is now under way and a report on their achievements and educational and vocational progress should be available by fall.

The 1966 Winners

Bernard Ferrari Is Honored At Nevada

KINGS BEACH — At the University of Nevada 76th annual commencement exercises held in Reno on June 11, Bernard David Ferrari of Kings Beach received his Bachelor of Arts Degree. He was also commissioned a 2nd lieutenant in the United States Army Reserve and was named one of the distinguished military graduates. Bennie served as president of the senior class, president of the cadet officers' club, was colonel of the ROTC unit during his senior year. He is a member of Blue Key, honorary service organization and of Alpha Tau Omega fraternity.

As president of the senior class, he led the procession of graduates and introduced the individual graduates prior to the awarding of degrees.

Bennie is the son of Mr. and Mrs. Ben Ferrari of Kings Beach and is a graduate of Tahoe-Truckee High School. In the fall he will enter the School of Law at the University of Santa Clara.

ALL OPEN BURNING IN AREA IS PROHIBITED

Effective June 15, all open burning is prohibited in the Truckee-Tahoe area, Dave Mohla, district ranger warned.

The only burning permitted will be in incinerators and even these must be covered according to law.

Citations and prosecution await any violator apprehended.

SPORTSMEN TO MEET AT COUNTY BUILDING

The Truckee Outdoor Sportsmen will hold their regular monthly meeting on Friday, June 17 at 8:00 p.m. at the Nevada County Government Center in Truckee. Anyone interested in fishing and hunting in this area is urged to attend and visitors are welcome.

RECREATION DISTRICT PLANS FOR PROGRAM

The Truckee Donner Recreation and Park District will be starting its summer recreation program Monday, June 27th at 9:30 a.m. at the Truckee Elementary school.

Programs are available at the district's office located at the Tahoe Truckee Agency in the Gateway area. Additional information may be obtained by calling Randy Bobby, 587-3090.

Mother Is Killed In Car Crash; Search Is Made For Child

Mrs. Inez Snell, 39, San Jose, was fatally injured shortly before 10 a.m. Sunday when the light, foreign built car she was driving left the freeway four miles west of the state line and plunged 100 feet into the Truckee River canyon.

Officers of the California Highway Patrol said they could find no apparent cause of the mishap.

For some time volunteers made a frantic search of the area and the river when witnesses said they believed a small child was in the vehicle. However, when the victim's husband, James Snell, was finally located in San Jose, he reported the couple's children were all safe and with their grandparents.

Assisting in the search were members of the Verdi Volunteer Fire Department, the Nevada Division of Forestry, the sheriff's department from Truckee and others.

Mrs. Snell was driving east when the mishap occurred. The motor from the car was thrown 400 feet from the wreckage and the car was demolished.

The body was taken to the Truckee Colonial Mortuary where it was claimed by Snell. Mrs. Snell suffered a skull fracture and crushed chest and expired five hours after the wreck.

Optimist Club Will Hold Lake Carnival

TAHOE CITY—The second annual Optimist Club's fun carnival will be held at the Safeway parking lot at Tahoe City and plans are being made for a bigger and better show for those attending.

The carnival will be open from noon until midnight.

There will be an assortment of booths which will provide games and refreshments. There will also be a number of awards at the conclusion of the show, including a new Ford Mustang.

Members active in promoting the carnival this year are Kenneth Marques, chairman; Paul Arthur, Don Wilson, Don Wallis, Gene Cline, the president-elect, and Fritz Kaupp, secretary.

MARX REASSIGNED TO CHURCHES IN AREA

Parishioners of the Truckee-High Sierra Parish of the Methodist Church will be pleased to learn that Rev. William Marx has been assigned to the churches at Truckee and Kings Beach for the coming year.

The announcement was made at the conclusion of the six-day Methodist annual convention which closed Sunday at Stockton, presided over by Bishop Donald H. Tippett, who announced the appointment of ministers for the 395 churches in the Northern California and Nevada district.

Although faced with figures showing a slight decline in both church membership and total giving the delegates adopted a more than $2 million budget, slightly higher than last year.

CANCER STATION TO BE IN HIGH SCHOOL

The Truckee Cancer dressing station of the American Cancer Society will meet the second and fourth Wednesday of each month during thet summer. The meetings will be held at the Tahoe Truckee High School from 1 to 3 p.m.

Everyone is invited to attend and help prepare the much needed bandages and bed pads for this worthy cause.

ANDERSON HOSTS TO EASTERN STAR GROUP

Mr. and Mrs. Dan Anderson of Tahoe Vista on June 4 and 5 attended the first reunion of the 1965 grand officers and matrons and patrons of the Order of Eastern Star of California at Rickey's Hyatt House in Palo Alto.

The worthy grand matron, Ellen Walters of Elk Creek and the worthy grand patron, James Hoole of Los Angeles, were present as well as about 200 other officers and trailers of last year. Mrs. Anderson served as the deputy grand matron in 1965.

Annual Report Of District Shows Gain During Past Year

The annual report for the Truckee Public Utility District, recently completed by Semenza, Kottinger & McMullen of Reno, shows that during the 1965 fiscal year, the district made major strides in developing improved services as well as financially.

After all expenses, the district showed a net gain of $7,069 from both the electrical and water department.

The total income from all sources totaled $302,473, with $252,003 from the electrical department and $50,407 from the water department. A total of $156,000 approximately, was spent on electric supply.

Total assets of the district, according to the report are now fixed at $901,866, which includes investments and facilities.

Liabilities, including repayable obligations to the Rural Electrification Administration amount to $1914,000.

The report indicated that internal control difficulties of the past are now wiped out and that the operation of the district is going smoothly, with services being extended and improved to the users in the region.

Student Awards Made At School

The following students were honored at the annual academic award assembly held at Tahoe Truckee High School June 9.

Students receiving their Honor Roll blocks for the first time were: Roger Kahn, Greg Schwartz, Karen Terry, Linda Harris, Linda Adams, Carol Corbin, Terryl Eyre, Cheri Comola, Julie Hauserman, Pam Horman, Mickie Barker, Gail Burghardt, Brad Doyel, George Franceschini, Patty Free, Sue Hawkins, Ryan Houlgate, Sandy Martin, Janet Price, Debbie Randall, Betty Shively and Kathy Critchley.

Fourth year certificates were presented to the following graduating seniors: Rod Achziger, Darryl Cernusak, Doug Dexter, Karen McBride, Barbara McCallen, Howard Price, Holly Wall, and Sherman Williamson. Other seniors receiving certificates included Jan Marie Booth (2nd) and Cathy Conners (3rd).

The award program is sponsored by the Rotary Club at Tahoe City as a part of their youth program to encourage high academic achievement. Students must attain the Honor Roll at least three out of four quarters to be eligible for the award.

Past Patrons Meet At Anderson Home

TAHOE VISTA — The Past Patrons' Association of Superior Calif. of 1958 made their fourth annual trip to Tahoe Vista for their June meeting. It was a busy weekend for Dan Andersons as Anderson served as worthy patron of Truckee Chapter O.E.S. in that year.

On Friday night, six of the party arrived to enjoy the Liberace show at the Sahara Tahoe at the South end of the lake.

On Saturday there were twelve who came to spend the weekend and all enjoyed a no-host dinner at the North Shore Club. At another table was Mrs. Pat Thompson, daughter of the Anderson's with her daughter Sydney, and friends Bill Cutler and daughter Susan from San Leandro and Mr. and Mrs. Wes Webster from San Bruno.

On Sunday twenty six of the past patrons and their trailers enjoyed a specially prepared luncheon by the chef of the North Shore Club, Crystal Bay, Nevada. A business meeting was later held on the lawn of the home of the Andersons in Tahoe Vista.

LAKE LEVEL

TAHOE CITY—Lake Tahoe's level was 6228.06 Wednesday with 50 csf of water leaving the gates. June 14 climbed to a high temperature of 75 for the week and the low was 40 degrees.

TO ATTEND WEDDING

Mr. and Mrs. Lauren Ferdinand left this morning for Seattle where they will attend a wedding of a close friend and former school mate of Ferdinand's on Saturday. They will return Monday.

Scheduled Flights Will Be Started At Local Airport

Through the combined efforts of the aviation committees from the Truckee-Donner Chamber of Commerce, headed by Jack Ellis, and the North Lake Tahoe Chamber of Commerce, chairmaned by Andrew Creglow, Truckee is to have a regularly scheduled airline service.

Starting today, the Sierra Pacific Airlines will inaugurate a flight twice daily Monday through Friday with a weekend flight arriving Saturday morning and taking off Sunday evening.

The airline will continue the program for at least 12 weeks and if it receives the support expected, it will continue on a regular basis. Creglow and Ellis, with the assistance of their committees have secured financial assistance which guarantees the daily schedule with two flights daily.

The service extends from Fresno in the south to all points in Northern California and Reno, Nevada.

The company, with headquarters in Menlo Park, operates Twin Beachcrafts, with a nine-passenger capacity and flown by a crew of two.

Creglow explained that it was through community cooperation that the schedule was arranged during a meeting with air line officials and local boosters on June 7 at North Shore Club which is one of the foremost sponsors of the flights.

A schedule of flights, rates and other information will be available shortly. In the meantime, details may be obtained by calling the Cal-Nat Airlines office at the airport or the airport office.

Savage Resigns As Member Of Board

H. C. Savage, a five-year member of the Truckee-Donner Recreation and Park District Board, tendered his resignation effective May 31. Savage is retiring from his business and will be moving from the area.

He has been quite active in the activities of the recreation district, and especially in the acquisition of land in the Floriston area.

Savage's resignation will leave a vacancy on the district's board. Interested applicants should send their letter of application to the Truckee-Donner Recreation and Park District, Board of Directors, Box 1087, Truckee, before July 1.

INMATE CREW FLIES TO SOUTHERN FIRE

The 32-man inmate crew from Hobart Mills flew to the Los Padres National Forest Monday morning to assist in fighting a major forest fire a short distance from Santa Barbara. The men are from the state institution at Susanville and are quartered at Hobart Mills during the fire season and are known as the "Hot Shot" crew.

LAHONTAN BOARD TO HOLD MEET JUNE 23

The Lahontan Regional Water Quality Control Board and the state water control board will hold a joint public meeting June 23 at 10 a. m. at the Tahoe Sands Motel in Al Tahoe. The purpose of the meeting is to establish a regional and state board policy for control of the water quality in Lake Tahoe.

Francis Longo, local member of the Lahontan Board, said all interested parties are invited to attend and present testimony as may be pertinent to the issues. Those wishing to be heard should submit written statements covering their testimony to the regional board at the public meeting.

OFFICE LOOTED

Thieves last Thursday night broke into the office of the Clements Rock Products, broke into a safe and escaped with $195.31 in cash. Sergeant Roy Waters of the Sheriff's department made the investigation.

DAUGHTER BORN

Mr. and Mrs. Robert Maughan, owners of the Hoyfjellet Lodge at Norden, are the parents of their second daughter, born June 11 in the Highlands General Hospital in Auburn. She weighed eight pounds, seven ounces at birth.

Fire Crews Ready As Dangers Mount In Tahoe Forest

With the arrival of the summer fire season — one which gives promise of being extremely dangerous — the office of the Truckee District of the Tahoe National Forest this week announced the personnel and equipment available.

Nelson Stone is the fire control officer and lookouts are Fred Scott on Martis Peak, Harold Thorton on Stateline lookout and Les French at the Verdi lookout station.

Emery McCarroll heads the two-man suppression crew as foreman. The five patrolmen are Roger Johns, William McGree, Orv Kinder, Tom Pendergast and Ted Turner. Rogers is in the Boca area, McGree at King Beach, Kinder at Tahoe City, Pendergast at Truckee and Turner at Donner Lake.

Chuck Welch is the forest service superintendent in charge of the 32-man inmate crew at Hobart Mills.

Gary Shelton, helitack foreman, will be stationed at Truckee with the Helicopter, while aerial tankers will be stationed at the Loma Rica and Beckwourth airports, ready for any emergency and within 15 minutes of any location on the Truckee District.

Officials at the station warn that all fire regulations will be strictly enforced and they urge everyone using the forest to report any fire or potential fire at once and to use every caution.

Snyder Disposes Of Buick Agency

Truckee friends of Mr. and Mrs. Frank H. Snyder will be sorry to learn that they plan to leave this area in July to make their home at Placerville.

Snyder announced this week that he is disposing of his interest in Snyder's Buick Garage, which he has operated for the past two years in Gateway Park and which he had leased from Clarence Osburn.

He also said they plan to dispose of their home at Donner Lake and the small motel apartments they have in downtown Truckee.

Snyder and his wife, Phyllis, are past patron and matron of the Order of Eastern Star here and have been active in civic and community affairs. Snyder is at present president of the Truckee Donner Horsemen's Association.

The Snyders came here ten years ago where he was sergeant in charge of the local office of the California Highway Patrol, an organization which he served for many years. Mrs. Snyder has resigned her position with the Truckee Public Utility District.

TWO BOYS INJURED IN SUMMIT MISHAP

Two Aurora, Colorado boys, George Pointon, 17, and his passenger, Steve Ryan, 15, were injured at 7 a.m. Monday when the car driven by Pointon ran under the rear of a tank truck operated by Duane D. Clyma, 41, Benicia a mile west of the Soda Springs interchange on Interstate 80.

The investigating officers of the California Highway Patrol said Pointon was shaving his neck at the time and did not see the truck until too late to avoid the collision. The injured were taken to Tahoe Forest Hospital by the Truckee Ambulance. Neither was critically hurt.

TRUCKEE NATIVE TO RESIGN SCHOOL POST

After 49 years of teaching foreign languages, Prof. John R. Gottardi of the University of Nevada has retired.

Gottardi, a native of Truckee, is the son of the late, Mr. and Mrs. Angelo Gottardi, natives of Austria, who migrated to California. He now shares his home with his sister, Mrs. Harold Hart, who with her late husband, operated a bakery store in downtown Truckee for several years.

Gottardi retired two years ago as chairman of the department and was recently honored with emeritus standing and prominent in the scholastic circles.

Danner at Donner —

The Noel Danner family has arrived at Donner Lake from Hawaii and Miss Marilyn is visiting from Wyoming.

Father's Day Flyin Offers Variety Of Events On Sunday

The Truckee-Tahoe Airport will be the scene of unprecedented activity and excitement Sunday, June 19th, when the third annual Truckee-Tahoe Fly -In will be staged by airport personnel, members of the Hi-Flyers Club of Truckee, and regular pilots of the Civil Air Patrol in this area.

For local residents, of particular interest will be the "penny a pound" airplane rides, which will range in price according to the weight of the passenger. Rides will soar over the valley around Truckee. Rides will be available starting at about 10 a.m., and there is no age limit.

Jet aircraft rides will also be available in a brand new Lear jet which will be at the airport for this purpose on Sunday.

Some of the other interesting events include sky diving, parachute drops, glider acrobatics, formation jet flying, and a continuous program of entertainment for spectators, free of charge, starting at 2 p.m. in the afternoon.

Chef Jack W. Ellis has prepared a tempting barbecue which will be served starting at 2 p.m. featuring barbecued chicken and all the trimmings at $2.75 per plate for those interested in spending the better part of the day and enjoying dinner at the airport.

For those interested in fire fighting, there will be a demonstration borate drop shortly after 1 p.m., demonstrating the efficiency of air fire fighting.

Here is a day of fun and activity for every local resident who is interested in flying and aviation. Make it a day and bring the family.

Assembly Passes Sewer Aid Bill

By a vote of 59 to 0, the assembly passed a bill to provide $2 million in state funds to help solve a serious sewage and drainage problem in the north Lake Tahoe region.

The measure, SB 98, Teale, was returned to the senate where early approval is expected on an assembly amendment which simply makes Assemblyman Eugene Chappie of El Dorado County a coauthor.

Under SB 998, presented in the lower house late Monday by Assemblyman Chappie, the state funds would be a loan to the North Lake Tahoe Public Utility District and Tahoe City Public Utility District for construction of sewage facilities to prevent and control water pollution in the north lake region served by the two districts.

A condition of the state participation is that the districts bond themselves to a total of $1.4 million and annex the area between the districts not now in either district.

The legislation is patterned after a bill, already signed into law, providing state funds to help solve the pollution problem along the south shore of Lake Tahoe.

Conservation Course To Open At Tahoe

A Conservation of Natural Resources course will be offered by Sierra College during the regular 1966 summer session. The course will be held at Tahoe City starting Saturday, June 18. Registration may be accomplished at that time.

Contemporary and historical conservation efforts will be studied using examples in the vicinity of Lake Tahoe. Field trips will be held each Saturday with the exception of June 18.

Classes will be held at the Tahoe Lake school each Saturday through July 30 from 9 a.m. to 5 p.m. The June 18 period will be devoted to registration and thereafter field trips will be made by the classes.

Among the guests during the scheduled period will be Ray Dunham, state fisheries management supervisor; Elmo Cordone, fisheries biologist; Ed Dolder, deputy director, department of recreation and parks; William M. Carah, state water commissioner; DeWitt Nelson, director of the department of conservation; Richard A. Pryor, forestry instructor at Sierra College.

Lunches must be carried each Saturday, including June 18 and students should wear warm clothing and be prepared for walking.

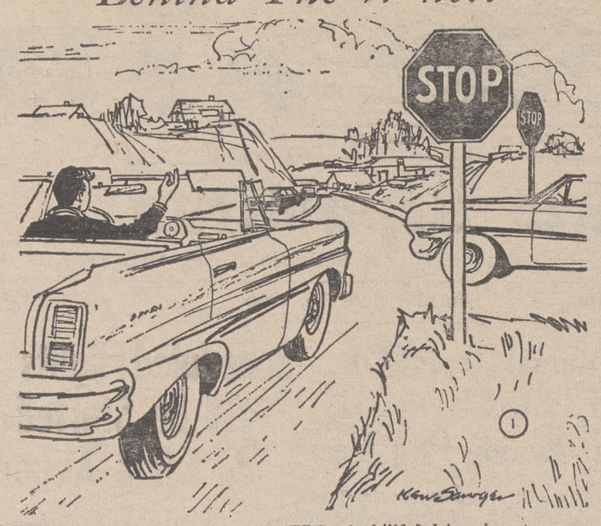
Behind The Wheel



COURTESY TOWARDS OTHERS—A skillful driver is not necessarily a good driver. He should also be a safe driver by being courteous and cooperative, reminds the California State Automobile Association. AFFAIRS OF STATE

by Henry C. MacArthur

SACRAMENTO — (CNS) — It is fairly evident now that the philosophies of government, rather than the candidates, will be the major issue next November when Governor Edmund G. Brown, leader of the Democrats and Ronald Reagan, the Republican hopeful, lock horns at the polls.

Despite Brown's near repudiation in the primary, and his apparent decrease in poularity with members of his own party, the Governor still starts the finals with an edge. In his favor will be the majority Democratic registration, which is bound to decrease to some extent, but not enough to give the Republicans any kind of a majority.

In addition, Brown has somewhat of an uncanny ability, as proven over past years, to recoup his losses in popularity with the people, and come back at full throttle.

Also, over a period of eight years, the governor has constructed a political machine throughout the state of California. He has appointed judges, members of boards and commissions, advisory committees, and individuals to other jobs. A machine of this type cannot be disparged in vote-getting ability.

Candidate Reagan, however, gives the people of California something they have not experienced in nearly eight years. This is a new face in politics, a face which reflects the aesires and needs of all the people rather than only certain segments of the society. Naive in politics though it may be, it still is rugged enough in character to carry out the mandates of the electorate.

If any conclusion can be reached from the primary vote it is that the people are somewhat tired of the old faces and the old philosophies in politics, with special reference to the conception that it is the duty and obligation of taxpayers to support a goodly portion of the population with free gifts above and beyond the call of necessity.

The vote indicated that the taxpayers have reached the point where they would like to retain some part of their earnings for themselves, rather than uncomplainingly turn it over to a give-away administration dedicated to the maintenance of a vast bureaucracy organized for the primary purpose of disbursing the fruits of production to a non-productive group.

Thus, the philosophical issue will be increasingly clear as the campaign progresses. The basic question will be whether the people of California wish to continue distributing their hard-earned money to those who have no thought of working for it, or whether they wish to return government to a sane basis wherein the taxpayer gets his money's worth.

This November the people will have a choice of saying whether they wish to continue going into debt to the point of eventual bankruptcy for operation of state government, or whether they want to return to responsible financing for state services and capital outlay.

These simple issues probably will be muddied during the campaign, but nevertheless, they remain as the basic factors on which decisions will be made in November.

LAKE ECHOES

BY BETHEL

The reunion at the Valley View School at Thermalands, near Lincoln and Sheridan, Placer County, was attended by Harry and Ceta Hooper and sons, Jon and Charles, of Reno and Kings Beach. The Hoopers went to Yuba City on Friday to visit Ceta's sister, LaVerne McFarlane, and mother, Martha Lewis Holmes. On Sunday the Hoopers and Mrs. Holmes went to the reunion, stopping at Manzanita Cemetery for a belated Memorial Day observance.

Classmates of Mrs. Holmes, now 89 years old, who attended the school some eighty years ago were Albertina French Nimetz of Oakland who was the eldest at 92 years, Ida Karschner, 89 years old, who still lives on her old home place, and Walter Wiswell of Lincoln, Gladys Hopkins taught at Valley View, Carl and Mary (French) Dyer of Kings Beach, attended the reunion with members of the French family who organized the reunion

Lois Van der Horst of Reno, former Tahoe Vistan, and her mother, Otha Thompson of Phoenix, leave this week for two weeks in Hawaii. Lois will visit her son who is stationed in Hawaii before he leaves for Viet Nam.

* * *

Connie and Troy Wainscoat of Reno and Kings Beach have just returned home from a six weeks European trip. They visited Portugal, Spain, Italy, France, Ireland and England. Ireland and Portugal were especially enjoyable to the travelers for the relaxing atmosphere that the countries offered. The trip was made by twelve adults who flew over and traveled Europe by train.

This past week found the Wainscoats with children, Marie, Christine, Hazel, Terri, Toni, Patricia, Mary Ann, Lloyd, Paul, and three year old Liz, back at Kings Beach for the summer. The Wainscoats have operated the Brockway Bakery the past several years, however, this year sons, John and Joe are stationed at Fort Ord and son, Jimmy, is in Viet Nam.

Damon Wainscoat is still confined to Letterman Hospital in San Francisco where he is recovering from severe injuries sustained in Viet Nam.

Young Trio Saved As Boat Flounders

MEEKS BAY — Val Hoksen, El Dorado County sheriff's deputy, rescued three young people last week when their 19-foot inboard craft became disabled on Lake Tahoe off Rubicon Bay. Their boat was towed into Meeks Bay.

A telephone call from an unidentified person sent the office to the rescue. The trio are Roy Duderichen, 17; Alison Thompson, 16, and Jane Thompson, 13.

At Virginia City—

A marriage license was issued recently at Virginia City to Edward C. Parker and Dell Noreen Tilton, both of Crystal Bay, Lake Tahoe.

One way to see if this column is read is to have something printed wrong. A phone call is inevitable, so when the linotypest couldn't figure out my scribbling last week, this is what happened. Writing about the tremendous waves we had on the lake, there was a mention that Sky Miles was retriving his boats even in his protected spot. What he was really doing was retieing them. Sorry Sky, but it just goes to show you that you can't believe everything you read!

* * *

Well, the school kids can't complain about the weather they have been having for their first week of vacation. It's been so warm and calm that swimming and waterskiing have taken the limelight. In past years, it has snowed the first week of vacation.

* * *

The snow is melting fast and before long only the high crevasses will have white streaks.

* * *

The sail planes were having a great time soaring above the landlubbers. You can see lots more at the fly-in at the Truckee airport Sunday.

* * *

The executive board of the Donner Lake Volunteer Fire Department Ladies Auxiliary is planning a barbecue for its members soon, so there will not be a meeting tonight. Plans are progressing for the House and Cabin Tour August 6.

* * *

The Truckee Lions Club certainly filled the bill for a gala evening for the kids when they had the circus Monday night. Six hundred attended the event held under the big top. Trained dogs, pigeons, ponies and even an elephant performed; clowns, cotton candy, balloons and al lthe things that make an exciting circus were there plus the acrobat that climbed stairs while standing on his head! Hope those who missed it can go next year, if the troupe comes again. Thanks Lions!

* * *

Wow, the Southern Pacific is at it again. The work crews are blasting away at the rock by the tunnel at the east end of the lake and shaking us up a bit. Sort of reminds us of the days when Interstate 80 was being constructed.

* * *

The Far West Kandahar ski race was held last weekend at Mt. Hood, Oregon. Strong winds prevented the holding of the downhill event, but the slalom was run Sunday. Terge Overland of Denver won the men's division, Jim Heuga was second, Rod Hebron, third; Dennis McCoy, fourth, and Jim Barrows, fifth. Rosie Fortna won the womens division, Wendy Allen, Second; Robin Morning, third; Joan Hannah, fourth; Sue Chaffie, fifth and Jean Saubert, sixth. It won't be long before the U. S. Alpine ski team leaves for Chile to practice for the F.I.S. events there in August.

* * *

Ah, isn't it nice to be up here in the mountains with temperatures in the high 80's while the valley residents are sweltering in an early heat wave of 104 degrees.

* * *

Donner Lake still hasn't been planted with Rainbow trout evidently, and those little Kokonee that bite at anything are a nuisance. Hope there is a plant soon. Even the natives are growing restless! . . . and mad!

* * *

Today, bids are going out for the construction of the drainage and roads on the west and south end of Donner Lake. Let's hope they are favorable and that work can be started real soon. It's a mighty bumpy ride over there now.

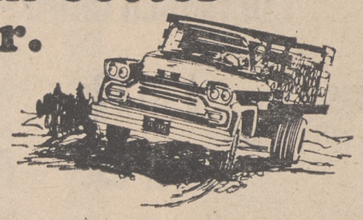
No matter how you drive, RPM Motor Oils make your engine perform better and last longer.



The way we drive has a lot to do with how much wear our engines get. Stop-and-go, long, hard driving can increase engine wear. Unfortunately, most of us can't change the way we drive. But we can protect our engines, by changing to RPM Motor Oil. "RPM" protects in all kinds of driving... stop-and-go, long hauls, heavy-duty. In fact, with "RPM" and proper oil changes, your engine can outlast the life of your truck, car, or other equipment. Try it. Call us soon about any of the complete "RPM" line.

Here's a story from my "tots and telephones" collection. A young mother found her three-year-old turning the telephone dial. She shooed her daughter away, picked up the phone and started to dial, when the little girl said, "You don't have to do that, Momma, I already stirred it up." (When *you're* "stirring" your phone, please remember that careful dialing stops wrong numbers before they start).

ALL NEW "VIVE LES GIRLS" SHOW SET TO OPEN TONIGHT AT NEVADA LODGE

CRYSTAL BAY—It will be grand opening night tonight, as the exciting "Vive Les Girls" revue opens for the season at Nevada Lodge, North Lake Tahoe.

A colorful and continental "no cameras" extravaganza, "Vive Les Girls" elicited rave reviews from critics with its superb staging, galaxy of glamorous girls, array of specialty acts, dramatic music — and just plain fun, fun, fun.

This year's all-new spectacular, produced by Frederic Apcar, brings to the stage the excitement of the French follies, the fun of a three ring circus and the artistry of a ballet. It is an adult potpurri of glamor and gags, starring the vocal dynamics of Gary Marshal and Chaiki Keiko, oriental songstess who brings even more exotic flavor to the production.

This is the fourth season in which "Vive Les Girls" has taken over Nevada Lodge and North Lake Tahoe. This year, according to producer Apcar, the show is a new creation from top to bottom: new girls, new songs, new specialties, new staging. Critics acclaim the production as "the spectacle of Paris, brought to audiences in the beautiful Sierra Nevada."

"Vive Les Girls" will continue nightly throughout the summer. Nevada Lodge also features continuous entertainment on its lounge stage — booking popular singing and instrumental groups.

CHAIKI KEIKO

The exotic flavor of "Vive Les Girls" at Nevada Lodge is typified by petite Chaiki Keiko, oriental songstress whose delightful unique appeal captures audiences immediately. "Vive Les Girls" opened Thursday night to enthusiastic crowds in Nevada Lodge's Topaz Room at North Lake Tahoe. The spectacular production is an adult potpourri of glamorous girls, riotous specialty acts and continental follies atmosphere. It is North Lake Tahoe's biggest "no cameras" extravaganza. This year's "Vive Les Girls" production is all new, with more diversified acts than ever, but always with the accent on glamorous girls in the Parisian tradition.

At Rodeo —

Mrs. Ozella Slate returned home following a visit with her family at Rodeo where her mother recently underwent successful surgery.

There are more than 500 hot springs in Iceland.

Solons Urge Study Of New Method To Clear Lake Water

SACRAMENTO— Assemblyman Carley Porter, chairman of the Assembly Water Committee and Assemblyman Gene Chappie, a member of the committee, have urged both the state of California department of water resources and public utility districts surrounding Lake Tahoe to carefully study a new "total removal demineralizer process" in order to determine whether this process, as claimed by its developers, is capable of total removal of all micro-organisms, nitrates and other nutrients such as phosphates which support the growth of algae.

"It is our understanding," the two assemblymen stated, "that this process could be a solution to the contamination problem which presently exists at Lake Tahoe.

"We have been informed that the 'total removal' process does not require any sludge drying beds, evaporation ponding, percolation ponds, ground or surface disposal of the waste sewage waters.

"The entire process takes place within the equipment. The developers further claim that their process eliminates entirely the possibility of re-entry of the contaminants into the usable water supply of the basin."

The legislators requested that that state department of water resources make known their findings to the public as well as to public utility districts throughout California in regard to the process so that determinations can be made as to its feasibility and use at Lake Tahoe.

THANK YOU

To all of you that folded letters, stuffed envelopes, made phone calls, contributed monies, voted for me, or in any way contributed to my campaign for State Senator, I would like to express my deep heart-felt thanks. You were all wonderful.

Sincerely,
Bill Briner

Curt Draney writes parents, Ted and Pearl Draney of Incline Beach that he has been in Cambodian action. Nothing new to Curt who has been in constant combat since his arrival in Viet Nam. One thing new to Curt that gives not only him, who was a total stranger to insects, are the leeches that infest the area. Damon Wainscoat vouches for the discomfort of these "worms with suction legs" that are not only difficult to remove but leave scars if not properly removed.

Margaret Ann Goegg was united in marriage by Justice William Beemer to David Jacobs Sunday, June 12th at the Goegg home at Brockway.

For her wedding, Margaret chose a white brocade redingote and wore a crown veil. The bride's boquet was a stephonitis.

Mrs. W. Ed Goegg, the bride's mother, wore a blue suit and a matching accessories.

The groom's mother, Mrs. Meyer Jacobs wore a lime green suit and wore a yellow corsage.

Charlotte Rice was matron of honor and William Rice best man.

The bride is the daughter of Mrs. W. Ed Goegg and the late Mr. Goegg of Reno and Brockway. A graduate of Reno High and the University of Nevada, she is a Phi Kappa Phi and Kappa Alpha Theta.

The groom is the son of Mr. and Mrs. Meyer Jacobs of Sparks, a graduate of Sparks High and the University of Nevada, a Alpha Tau Omega fraternity member and employed by Bell of Nevada.

For her going away costume, Margaret chose a blue suit with matching accessories.

A wedding reception at the North Shore Club Hotel featured a three tier wedding cake with the tables attractively decorated in white and red. They will spend their honeymoon at Lake Louise and other points of interest in Canada. Upon return they will be at home in Sparks.

URGE SUPPORT OF VIETNAM EFFORT THROUGH BONDS. Helping mark the Silver Anniversary of the U.S. Savings Bonds program this month, Lyle N. Pearson (right), President of Torginol of America, pledged the support of the entire seamless flooring industry in the national effort to underwrite the nation's efforts in Vietnam through the increased purchase of bonds. Shown with Pearson are Marie Esquivel, "Miss Liberty," and Capt. James C. Maloney who will fly a blimp over parts of the country with the aerial admonition shown above.

Lake General Plan Revisions on Slate For Meet June 22

TAHOE CITY— Ten o'clock next Wednesday morning, June 22, is the time for convening a public hearing on proposed amendments to the 1980 General Plan for Lake Tahoe. The sessions will be held in the Alpine Room of the Sahara-Tahoe hotel at Stateline, according to Supervisor William Briner of Tahoe City, chairman of the regional planning commission.

The agenda also calls for consideration of the Kings Beach area for Home and Housing Finance Administration funds from the federal government.

Briner said every effort would be made to handle the HHFA application and any correspondence "as quickly as possible in order to devote the remainder of the meeting to the public hearing" on the general plan revisions.

Forty-eight thousand, five hundred persons were killed in 1965 on the nation's highways. In addition, 4,100,000 others were injured in traffic accidents last year.

Nevada County Shares Gas Tax

SACRAMENTO —(CNS)— Nevada County's share of highway users taxes distributed during May was $28,586, State Controller Alan Cranston has announced.

The statewide distribution totaled $39,658,927. Of this, $21,901,759 went for expenditure on state highways, $8,511,917 went directly to the counties, $5,447,627 to the state highway fund for cities and counties, and $3,797,624 to the state highway fund for cities.

Cranston reported the total was derived as follows: gasoline tax, $36,627,392; diesel fuel tax, $2,250,490; by transfer from the motor vehicle transportation tax fund, $740,486.

Incline Graduates Hear Gov. Sawyer

INCLINE VILLAGE— The graduation of 40 students at Incline Village elementary school last week was highlighted by a message from Governor Grant Sawyer of Nevada.

The chief executive emphasized that our national greatness has been achieved because individuals have diligently pursued education during their younger years. He told the graduates their parents want them to obtain as much schooling as possible.

"They will make many sacrifices in the years ahead so you may achieve this goal," he said. "They want you to have many opportunities which they never enjoyed."

Home Owners Tax Climbing Steadily

SACRAMENTO —(CNS)— The average home in California is worth $17,500 and the owner paid $370 in property taxes during the 1965-66 year, the state board of equalization announced.

The taxes were $50 more than the home owner would have paid five years ago and $10 more than a year ago.

Theboard said $3.3 billion in taxes was collected for local government during the fiscal year, averaging $177 for each Californian. The per capita local government tax was up $12 from the previous year.

The taxes were paid on property assessed at $39.4 billion, with the assessment total up $3 billion from a year ago.

Of the total tax bite, $1.7 billion was levied by some 1437 school districts; $997 million by the 58 counties; $407 million by the 390 cities, and $201 million by 3450 special purpose districts.

INCLINE STUDENTS TO RIDE BUSES TO RENO

INCLINE VILLAGE — Ninth grade students at Incline Village will continue to bus to Reno for classes, the Washoe County school board decided at its meeting June 7.

The decision climaxed weeks of dialog between parents and the school trustees. Contention arose over questions of quality of education versus the long trek over mountain roads for the students. A motion to establish ninth grade classes at Incline Village by trustee Bette Cassard failed for lack of second.

Dr. William O'Brien, another trustee, noted the matter had been considered at length three times. He said, "We've listened to both sides and by and large it boils down to what would be an inferior program at an additional cost."

Superintendent Proctor Hug, Sr., said a ninth grade program at Incline wuold cost the district $8,000 to $10,000 annually for a "limited academic schedule."

HAPPY DAYS —

Bruce Leamon celebrated his 15th birth date June 15 and Steve Silverii will be feted on his natal day next Sunday.

Old Timer Exhibit Plans Progressing

The Old Timers' Night slated for Donner Lake Lodge July 13 is attracting much interest and many oldsters and historians are signifying they will attend the affair with is jointly sponsored by the Truckee Donner Chamber of Commerce and the Lions Club.

Typical of letters sent to the chairman, Carson White, is one from Lida B. Pirazzini of Paradise, California:

The Chico Enterprise-Record on June 9 carried a story about your planned Old Timers Night on July 13th. I have in my possession a photostat of a personal narrative of W. C. Graves—wirtten on at last published in 1877. At one time I had the original but it was carelessly burned in 1946. It is 12 paqes long and probably not a feasible exhibit. However, if you feel it would be of interest I would be glad to bring it along as present plans indicate we will be able to attend.

I am the great granddaughter of Eleanor Graves who was a member of the Forlone Hope Rescue party. With me will be my husband, Allan Hall, who was taken from an orphanage in Vallejo by Eleanor Graves and her daughter, Ann, raised by them on their ranch in Knights Valley; his wife and probably Mrs. Fred Greene, widow of a grandson of Eleanor Graves.

Please advise what housing facilities will be available, names of motels and trailer parks.

Thank you for your consideration and assistance.

Sincerely, Lida B. Pirazzini.
